PoI22

The Power of Interfaces 2022 (PoI22) will host three related events: the Harvestore and Epistore projects meetings, the summer school and the workshop.

The **Harvestore and Epistore project meetings** are only for partners. The participation of at least one representative of each partner of the consortium is mandatory.

The **Summer School** will cover aspects of fundamentals of oxide chemistry, ion transport, electrochemical devices and advanced characterization techniques. Open to all the participants (prior registration).

At the **PoI22 workshop** we will cover latest advances in:

- New materials for energy
- Nanoscale transport phenomena
- Solid-state devices for energy storage and conversion
- Interface, in-operando and in-situ techniques
- Micro and nanotechnologies for energy devices

Preliminary program at the end of this document.

Registration

All the participants to any of the events are required to register.

[Register here](#)

Registration fee is 100 euros per participants to the workshop.

Instructions for the payment will be sent by email at the beginning of September.

Venue

The Power of Interfaces 2022 meetings, school and workshop will take place at the [Palma CaixaForum](#).

Address: [Plaza de Weyler, 3. 07001 Palma](#)

Website: <https://caixaforum.org/es/palma>

Travel to Palma

The city of Palma de Mallorca is the capital city of the Balearic Islands in Spain and situated on the island of Mallorca. It is accessible from most major airport hubs in Europe including London, Paris, Madrid, Barcelona, Amsterdam and Frankfurt. For those wishing a more leisurely trip it is also accessible by ferry from mainland Spain. The island is a major tourist attraction and so early booking is advised. The average daily temperature in October is a very pleasant ~ 20 °C.
